

# ***NEW MIND LEARNINGS***

**LEARN TO LEAD**

“

*New Mind Learnings is imparting great deal of knowledge to fresh mind, experienced mind to make them to compete positively to new changes and challenges happening around.*

”

## Professional Training

To develop human resources through training to meet the industry basic and specialised requirement and to make the human resources to perform their job with quality, efficiency and effectiveness and at the same time trained human resources can motivate others also.

- ✦ 5S Good workplace Organisation
- ✦ Kaizen (Continuous Improvement)
- ✦ Poka-Yoke(Mistake/Error proofing)
- ✦ TPM(Total Productive Maintenance)
- ✦ Six Sigma
- ✦ Systematic Problem Solving.
- ✦ Manpower Management
- ✦ Daily work management
- ✦ Failure mode and effect analysis (FMEA)

## Consultancy

To empower people and company by providing best solution to improve efficiency and effectiveness. Value creation and addition through value chain analysis and recommending efficient method for product and process improvement.

- ✦ To Establish Process.
- ✦ Optimisation of existing processes.
- ✦ To Improve Process Efficiency.
- ✦ To Improve Product Quality.
- ✦ To Improve Customer Satisfaction

## Women Empowerment

Women's empowerment has become essential in development and economic growth. We are providing training to women to make them financially independent by making self employed.

- ✦ Women wear tailoring
- ✦ Embroidery
- ✦ Painting
- ✦ Beautician Course
- ✦ Computer Course
- ✦ Handcraft course

## PRODUCT DESIGN AND DEVELOPMENT:

- ✦ 3D & 2D CAD modelling, sketch, part assembly and drawing.
- ✦ Product design, engineering, development, test specification.
- ✦ Product Benchmarking
- ✦ Tear down analysis and product cost estimation
- ✦ Reverse engineering
- ✦ Value engineering
- ✦ Design of mechanisms for engineering application.
- ✦ Fixture design.
- ✦ Design for Assembly, Design for manufacturing, Design for servicing, Design for safety. Etc.

- ✦ Pre-Product development plan.
- ✦ Design of process quality plan
- ✦ Design of Jigs & Fixture
- ✦ Design of weldments.
- ✦ Design for injection molding, high pressure die casting, Blow molding, Roto moulding.
- ✦ Design of sheet metals
- ✦ Design of tubular structures
- ✦ Product legacy data conversion
- ✦ Draftmen traing
- ✦ Product user manual and service manual making.
- ✦ Product assembly guideline making.
- ✦ Product data management plan
- ✦ DFMEA
- ✦ Product risk assessment and solution.
- ✦ CAD training.

*We understand about market demand and supply condition. We provide flexibility to our customers to adapt to the fluctuating market condition by providing trained temporary manpower at their site to meet the demand.*

*We perform the job at customer site by deploying trained manpower and dedicated manpower at customer site.*

- ✦ Trained Supervisor
- ✦ Quality Inspector
- ✦ CNC Operator
- ✦ Lathe Operator
- ✦ Welding Operator
- ✦ Milling Operator
- ✦ Grinding Operator
- ✦ Press Operator
- ✦ Computer Operator

### ***Our Strength***

*Specialized in training manpower to meet trained human resources requirement.*

*Consultancy to improve product quality, process efficiency and effectiveness.*

*Supply of trained manpower to meet fluctuating market demand.*

*Strong industrial relations with our work force.*

*Jobs at customers sites on contractual basis*

*Supply of Trained manpower on Contractual Basis*

# 1 OUR VISION

*We aim to become best in class training and education provider by providing best training and education service.*

# 2 OUR MISSION

*To provide high quality requirement based training and education to empower participants to meet their professional and career goals.*

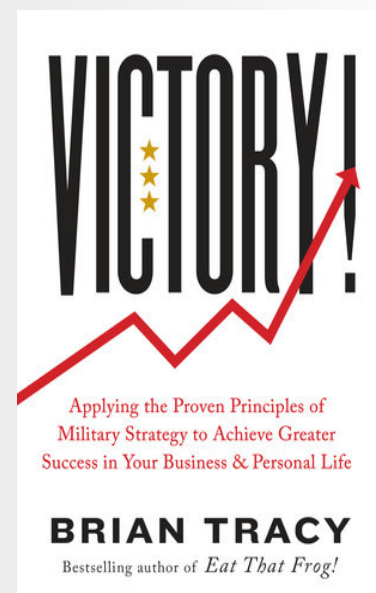

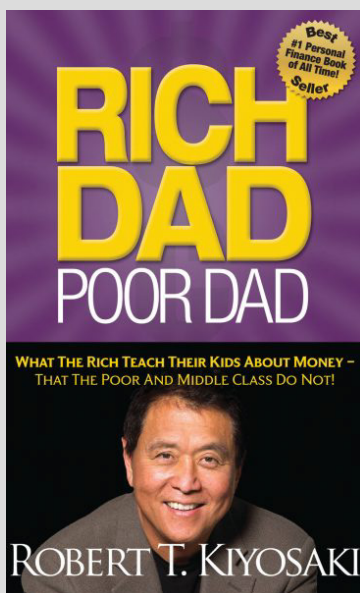

# 3 AN INTRODUCTION

*New mind learnings (NML) has been committed for providing highest quality training and education to meet the industry requirement.*

*We are providing professional training to employee and individuals to perform their job with quality, efficiency and effectiveness We are focusing to provide training and education to less focused area to empower human resources and to make the human resources more eligible, efficient and effective to meet their career goals.*

*We are focusing to provide training to women to empower them and to make them independent.*

## RECOMMENDED BOOKS

“ANYONE WHO STOPS LEARNING IS OLD, WHETHER 20 OR 80, ANYONE WHO  
KEEPS LEARNING STAYS YOUNG.

THE GREATEST THING IN LIFE IS TO KEEP YOUR MIND YOUNG.”

– Henry Ford
